88	Paint-it-Yourself Yoda	Ceramic	Unlicensed	These figures are the ultimate kitsch items from the Star Wars universe. What better, take your kid to the local paint-it-yourself palace. 114	Early Bird' Certificate	Figure	Kenner	This is just a picture of this item (the actual one is much larger). In 1977 when Star Wars was first released no one expected it to be the hit it was. As a result the toys were not ready in time for Christmas. So Kenner put out these certificates that could be purchased and given as 'gifts'. The certificates were then mailed in and the figures (a 4pk with Luke, Chewbacca, Princess Leia, R2D2) arived in the mail as soon as they were available.	-	***
